

Diamante, Trastevere

Description Diamante (45 mq) Trastevere

In this apartment you will live the real bohemian atmosphere of Trastevere. This unique masterpiece cannot be described and chosen with rational criteria. The best way to choose it is to close your eyes and dream. There are things that money can't buy. One of those is the atmosphere of this pearl. From its terrace you can look at the typical Trastevere roofs. A vacation is nothing more than an unforgettable memory that will warm up your cold winters. We guarantee that a few days here will warm up your winters for the rest of your life. Air conditioning. From 70 euro/night 1/3 persons, one bedroom
